AH 116: Therapeutic Communication or any course that meets the Oral Communication/Creative Expression requirement.*		3 credits	Oral Communication/Creative Expression
General Elective**		3 credits	

Course Number and Name	Prerequisites and Corequisites	Credits	Gen Ed Req.
<a href="#">BIOL 107 – General Biology II</a> or Science Elective	For BIOL 107: <a href="#">BIOL 106</a> with a grade of "C" or better	3 or 4 credits	

Semester 4

Course Number and Name	Prerequisites and Corequisites	Credits	Gen Ed Req.
<a href="#">PSYC 220 - Cross-Cultural Psychology</a> or <a href="#">PSYC 221 - Social Psychology</a> or <a href="#">PSYC 222 - Forensic Psychology</a>	For PSYC 220: <a href="#">PSYC 101</a> and <a href="#">ENGL 101</a> , with a grade of "C" or better For PSYC 221: <a href="#">PSYC 101</a> For PSYC 222: <a href="#">PSYC 101</a> or <a href="#">JUS 101</a> and <a href="#">ENGL 101</a>	3 credits	
<a href="#">PSYC 202 - Human Sexuality</a> or <a href="#">PSYC 230 - Cognitive Psychology</a> or <a href="#">PSYC 232 - Biological Foundation of Behavior</a>	For PSYC 230: <a href="#">ENGL 101</a> with a grade of "C" or better and <a href="#">PSYC 101</a> . For PSYC 232: <a href="#">ENGL 101</a> and <a href="#">PSYC 101</a>	3 credits	
<a href="#">PSYC 210 - Experimental Research Methods in Psychology</a>	<a href="#">ENGL 101</a> , <a href="#">PSYC 101</a> , <a href="#">PSYC 110</a> , <a href="#">PSYC 167</a>	3 credits	

Course Number and Name	Prerequisites and Corequisites	Credits	Gen Ed Req.
General Elective		3 credits	
<a href="#">PHIL/RS 151 – World Religions</a> or Humanities Elective***		3 credits	

### Minimum Credits Needed to Graduate: 61

\* Three credits in Oral Communication/Creative Expression (OCCE) are required. Students may take one three-credit OCCE course, or may elect to take three one-credit OCCE courses.

\*\* For students uncertain about what general elective to choose, we recommend taking at least two world language courses. Temple University, a common transfer institution for CCP students, requires students to earn a C or better in a first and a second-level world language course. Any language course in Arabic, Chinese, French, Italian, Hebrew, Japanese, or Spanish may be chosen.

\*\*\*For students uncertain about what Humanities elective to take, we recommend HUM 120, HUM 130, HUM 150, HUM 180, HUM 190. These are courses that explore diverse cultures and provide an expanded view of the human experience.

### Courses and Completion Sequence:

#### Semester 1

Course Number and Name	Credits	Advisory Notes
<a href="#">PSYC 101 - Introduction to Psychology</a>	3 credits	Complete with a grade "C" or better Cultural Analysis & Interpretation
<a href="#">ENGL 101 - English Composition I</a>	3 credits	Writing/Research/Info Lit 1
<a href="#">CIS 103 - Computer Applications &amp; Concepts</a>	3 credit	Technological Competency
<a href="#">MATH 150 - Introductory Data Analysis</a> (or higher)	3 credit	Complete with a grade "C" or better Prerequisite for PSYC 167 Quantitative Reasoning

Course Number and Name	Credits	Advisory Notes
<a href="#">SOC 101 - Introduction to Sociology</a> or <a href="#">ANTH 112 - Cultural Anthropology</a>	3 credit	

Semester 2

Course Number and Name	Credits	Advisory Notes
<a href="#">ENGL 102 - The Research Paper</a>	3 credits	Writing/Research/Info Lit 2
<a href="#">PSYC 205 - Psychopathology/Abnormal Psychology</a>	3 credits	
<a href="#">BIOL 106 - General Biology I</a>	4 credits	
<a href="#">PSYC 110 - Descriptive Research Methods in Psychology</a>	3 credits	Pass with a grade "C" or better. Prerequisites for PSYC 210.
<b>Psychology</b> <b>Elective: Developmental Approaches (choose one)</b> <a href="#">PSYC 201 - Child Psychology</a> or <a href="#">PSYC 209 - Adolescent Psychology</a> or <a href="#">PSYC 211 - Personality Theory</a>	3 credits	These courses should be of interest to students pursuing careers where they need to understand the specific characteristics, abilities, motivations and vulnerabilities of children and adolescents as well as how those childhood and adolescent experiences can lay the foundation for the ways they think and behave as adults.

Semester 3

Course Number and Name	Credits	Advisory Notes
<a href="#">PSYC 167 - Foundations of Statistical Methods for Social and Behavioral Sciences</a>	3 credits	FNMT 118 or MATH 161 placement Pass with a grade of "C" or better. Requirement for PSYC 210

Course Number and Name	Credits	Advisory Notes
<a href="#">PSYC 215 - Developmental Psychology</a>	3 credits	
AH 116: Therapeutic Communication or any course that meets the Oral Communication/Creative Expression requirement.	3 credits	Three credits in Oral Communication/Creative Expression (OCCE) are required. Students may take one three-credit OCCE course, or may elect to take three one-credit OCCE courses.
General Elective	3 credits	For students uncertain about what general elective to choose, we recommend taking at least two foreign language courses. Temple University, a common transfer institution for CCP students, requires students to earn a C or better in a first and a second-level foreign language course. Any language course in Arabic, Chinese, French, Italian, Hebrew, Japanese, or Spanish may be chosen.
<a href="#">BIOL 107 - General Biology II</a> or Science Elective	3 or 4 credits	<b>Scientific Reasoning</b>

#### Semester 4

Course Number and Name	Credits	Advisory Notes
<b>Psychology Elective: Social and Cultural Approaches (choose one)</b> <a href="#">PSYC 221 - Social Psychology</a> or <a href="#">PSYC 220 - Cross-Cultural Psychology</a> or PSYC 222 - Forensic Psychology	3 credits	These courses explore and help explain the specific ways in which social and cultural factors can lead us to think and behave differently compared to and during interactions with members of other social and cultural groups. These courses should be of interest to students pursuing careers where they will be providing direct support or service to others, especially members of racially or ethnically diverse communities.

Course Number and Name	Credits	Advisory Notes
<p><b>Psychology Elective: Biological and Cognitive Approaches (choose one)</b>  <a href="#">PSYC 202 - Human Sexuality</a> or  <a href="#">PSYC 230 - Cognitive Psychology</a> or  <a href="#">PSYC 232 - Biological Foundation of Behavior</a></p>	3 credits	<p>The more detailed and focused explorations of the different domains of human functioning—e.g., biological, cognitive— offered in these courses can help students better appreciate the diverse roles and significance of our biological design and our cognitive processes. These courses should be of special interest to any student who plans to pursue research or clinical/counseling careers in psychology.</p>
<p><a href="#">PSYC 210 - Experimental Research Methods in Psychology</a></p>	3 credits	
<p>General Elective</p>	3 credits	
<p><a href="#">PHIL 151/RS 151 - World Religions</a> or  Humanities Elective</p>	3 credits	<p>For students uncertain about what Humanities elective to take, we recommend HUM 120, HUM 130, HUM 150, HUM 180, HUM 190. These are courses that explore diverse cultures and provide an expanded view of the human experience.</p>
