This is to inform you that I have taken the following actions on recommendations made to me by the Institution-Wide Committee spring 2013:

- Approved the proposal to amend College Policies and Procedures Memorandum No. 5. The most substantive change is making attendance the focus, and not withdrawals and grade reporting. The revision has simpler language to reduce confusion.
- Approved the revision to the Academic Integrity Policy removing old definitions and creating a procedure for violations of academic integrity that parallels the judicial process in the student code of conduct.
