

# Community College *of* Philadelphia

**TO:** College Community  
**FROM:** Stephen M. Curtis  
**DATE:** February 6, 2009  
**SUBJECT:** IWC Minutes

---

This is to inform you that I have taken the following actions on recommendations made to me by the Institution-Wide Committee fall 2008:

- Approved the proposal for an Associate in Applied Science in the Applied Science and Engineering Technology Program, effective fall 2009 with minor changes;
- Approved the recommendation to move the reporting function of Academic Computing to the FLOAT Division;
- Approved the revision of the Hospitality Management Program. The current Hospitality Technologies – Hotel Management Option and Hospitality Technologies – Restaurant Management Option will be combined into a single curriculum entitled Hospitality Management effective fall 2009;
- Approved the revision of the Culinary Arts Program. The current Hospitality Technologies – Chef Option and Hospitality Technologies – Chef Apprenticeship Option will be combined into a single curriculum entitled Culinary Arts effective fall 2009;
- Approved the revision of the Medical Assisting and Office Management Program (to be renamed Medical Assisting Program) effective fall 2009 to comply with the new General Education Requirements. This increases the total credits to 67;

- Approved the revision of the Dental Hygiene Program to comply with Commission on Dental Accreditation standards and to comply with new General Education Requirements. The number of required credits increases to 81;
- Approved the revision of the Communication Arts Curriculum: Theater Option to increase options for students to study plays, perform, stage manage, assistant direct, and work on technical aspects of performance. The number of required credits increases to 62;
- Approved the revision of the Engineering Science Curriculum to comply with the General Education Requirements. The number of required credits increases to 71.
