This is to inform you that I have taken the following actions on recommendations made to me by the Institution-Wide Committee summer and fall 2010:

- Approved revisions to the Communication Arts – Speech Option and to Rename it the Communication Studies Program, effective spring 2011;
  - Change the title of the program to the Communication Studies Program.
  - Remove ENGL 137 from the required courses and make it an elective.
  - Decrease the literature requirements from 6 to 3 credits.
  - Remove the second humanities elective.
  - Add two proposed new courses (ENGL 117 – Group and Team Communications. ENGL 118 – Intercultural Communication) as required courses.
  - Revise the directed electives.
  - Expand the choice of social science electives to include ANTH 112.
- Approved an Associate in Arts Degree in Mass Media, to be effective spring 2011; and
- Approved a revision of Management of Computer Information Technology – A.A. Degree Program.
  - Eliminate CIS 104 effective spring 2011.
  - The critical information will now be covered in CIS 105.
  - Since CIS 105 (five credits) is now the only option the number of credits to complete the program is actually 62/63 and not 61/62.
