Get the knowledge you need for further study in the business field with the Business Administration degree. This program provides you with a strong foundation in mathematics, business principles and reasoning skills necessary for success.

The Business Administration degree is specifically designed to prepare you for transfer to business schools accredited by the Association to Advance Collegiate Schools of Business (AACSB). Schools accredited by the AACSB, the premier international accrediting agency, are among the best business schools in the country and in the world.

Focused on financial and managerial accounting, calculus, statistics and economics, as well as business law and the principles of management and marketing, the Business Administration program can lead you a variety of bachelor’s degrees:
- accounting
- business or business administration
- economics
- finance
- management
- marketing

After earning your Business Administration degree, you will be able to complete a number of tasks:
- evaluate the impact of business decisions, activities and events
- understand and discuss the role that business has historically taken in different societal and economic systems

Career Paths
The College's Dual Admissions programs and transfer agreements will help you seamlessly move to a four-year college or university and continue your education. Preparing for a bachelor’s degree at the College saves you money. Our tuition is lower than four-year schools, and you may qualify for scholarships through the Dual Admissions programs.
Some of the careers graduates that this program leads to include:
- accountant/auditor
- administrative service manager
- economist
- financial analyst
- finance manager
- management analyst
- market research analyst

The Business Administration Program
This program is designed to prepare you for four-year colleges and universities with acclaimed business curriculums. Many of the world’s best business schools hold the Association to Advance Collegiate Schools of Business (AACSB) international accreditation, and the Business Administration program is aligned with the standards of this prestigious agency.

In order to help you achieve success in a four-year program, the College holds transfer agreements with Arcadia, Drexel, Holy Family, La Salle, Saint Joseph’s, Strayer and Temple universities and Cabrini and Peirce colleges.
