OFFICE OF ACADEMIC AFFAIRS
MEMORANDUM

TO: All Faculty
FROM: Judith Gay
DATE: October 29, 2009
SUBJECT: Student Attendance and the Potential SEPTA Strike

As I am sure you know, a transit strike may occur beginning Saturday, October 31, 2009 at 12:01 a.m. A transit strike will pose transportation problems for many of our students.

With this in mind, please review the following suggestions:

1. Please plan to accommodate those students who may experience difficulties because of transportation problems. Please make every effort to stay in touch with your students (e.g., e-mail, phone).
2. The Office of Student Life will assist students in efforts to organize car-pools/ride-shares among themselves. The College is recommending that students log on to MyCCP to access SEPTA Strike Information for information about transportation.
3. Please let students know that information about the SEPTA strike will be available on the College's home page and on MyCCP.
4. Finally, please be aware that you may be asked to provide information about student attendance so that we can monitor the impact of any strike.

Thank you for your cooperation and assistance.
