*Students completing MATH 162 and MATH 171 will be best prepared to transfer to baccalaureate programs accredited by the Association to Advance Collegiate Schools of Business (AACSB). Students who graduate with FNMT 118 and MATH 161 can still

transfer to AACSB-accredited programs but will need to take higher level Math at their transfer institution in order to graduate, or they can transfer to a number of non-AACSB programs and continue in those programs without taking additional math courses. Students should consult with an advisor or their intended transfer institution for additional guidance.

Minimum Credits Needed to Graduate: 63

Courses and Completion Sequence:

Semester 1
Fall Semester
